#### **COURTESY SERVICES:**

**Water Shutoff for Repairs:** There is no turn off/on charge for those doing repairs to their property. Please remember, the water meter is Company property and only GVMWC personnel are authorized to handle the water meter.

**Seasonal Service Discontinuance:** In order to reduce water loss from freezing and broken plumbing, the Company will provide an annual turn-off/turn-on service at no charge for shareholders who do not require water service from October to April. At locations for which annual written requests for seasonal water service discontinuance will have the water turned off each year in October and resumed in the following month of April. Please call the office for additional information.
